## *Josef Teller Stege*

Wir fertigen **Stege** in bruchloser Familientradition seit weit über 100 Jahren.

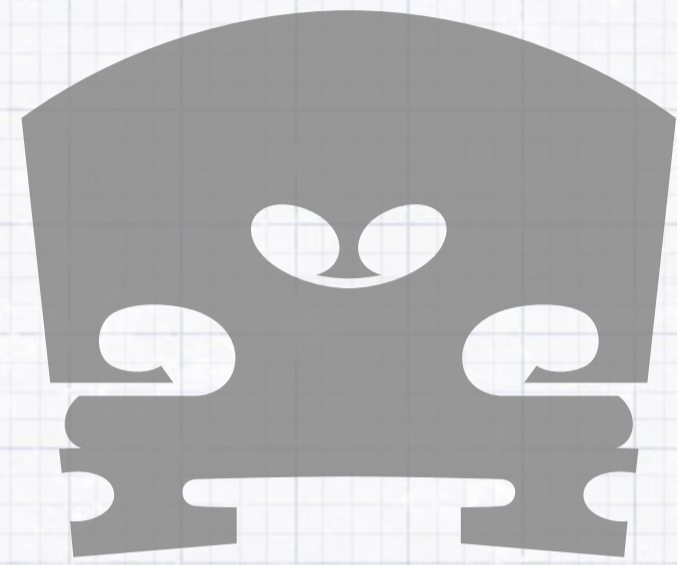

Daher sehen wir uns als echte **Experten der Stegmanufaktur** und können Ihnen folgendes garantieren:

- bester *Bosnischer Bergahorn*, von meinem Vater und mir selbst in den Wäldern Bosniens ausgewählt und bis zu mehreren Jahrzehnten in unserem Holzlager natürlich alternd aufbewahrt
- absolut vollständige Herstellung in Bubenreuth und Handarbeit an jedem Steg
- zur abschließenden Qualitätsauswahl geht jeder einzelne Steg durch die Hand meines Vaters oder meine
- Berücksichtigung Ihrer individuellen Wünsche
