

# Chinrests

JOSEF TELLER <sup>18</sup>/<sub>91</sub>

*for Violin and Viola*

*B. Teller*

## *Josef Teller Chinrests*

- each model available in ebony, rosewood and boxwood
- ergonomically designed forms for different ways to play the instrument and for different attachment positions
- different lengths of the adjustment barrel

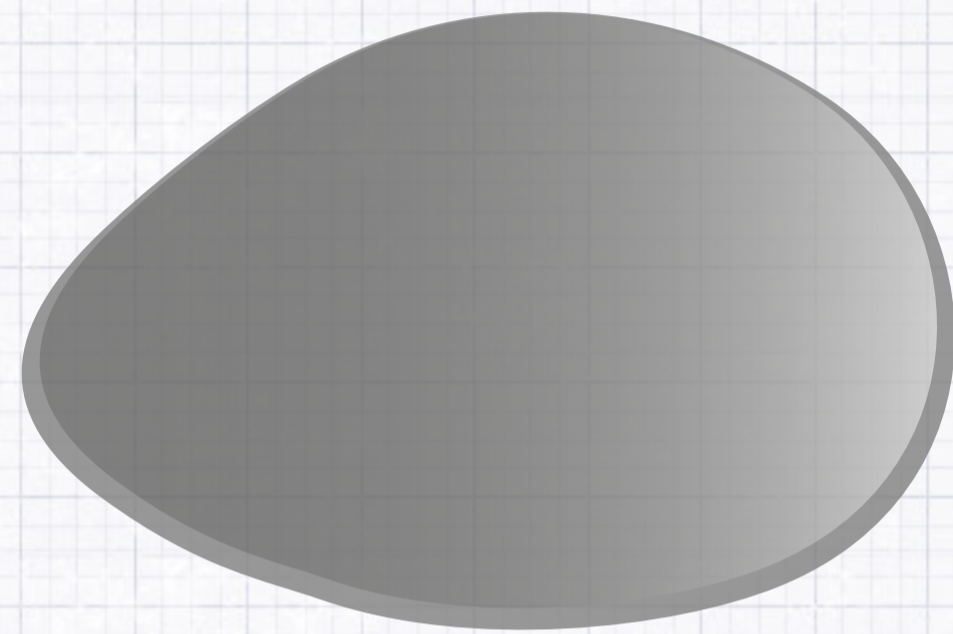

The whole process of the manufacturing of the *Josef Teller Chinrests* takes place in Bubenreuth.

The metal screw is a German product from one of our old partners.

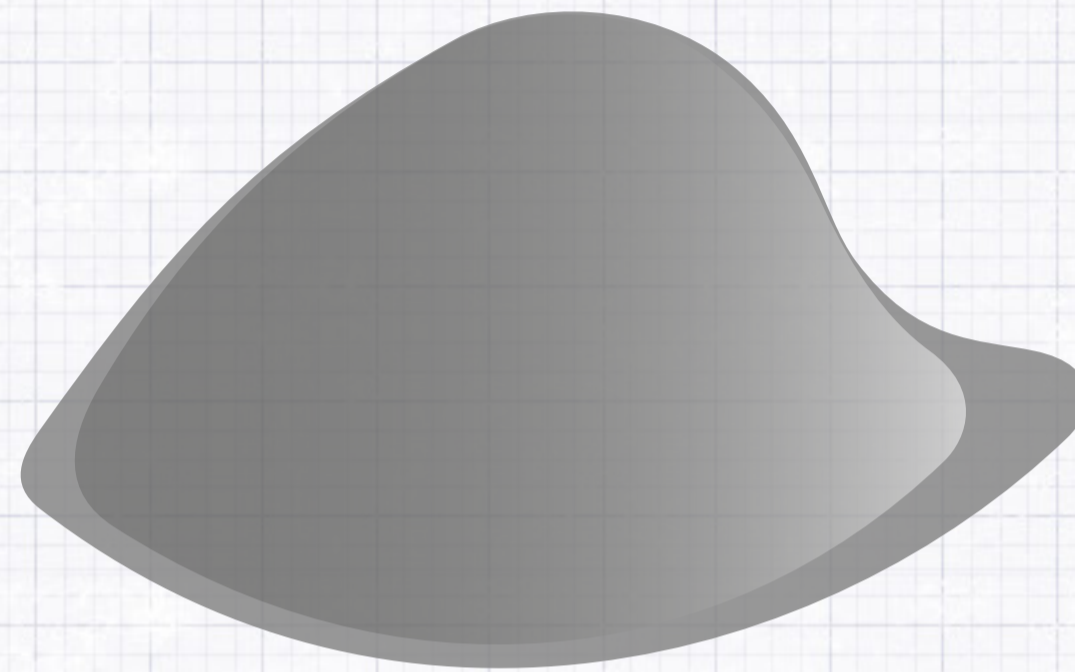

*for Violin and Viola*
